

MB is working with various major International & National institutions as stated below:

	THE AMERICAN UNIVERSITY IN CAIRO الجامعة الأمريكية بالقاهرة		Pfizer		Nile University
	Roche		Master Gas		TAV Contractor.
	World Bank		Japan International Cooperation Agency		City University London-UK
	Japan Bank for International Cooperation		EDF France		Degremont France
	Fichtner Germany		Schlumberger		Buro Happold-UK
	Bechtel		Islamic Development Fund		Saudi Bin Laden Group
	Kuwait Oil Company		Marina Mall Kuwait		United Real Estate-Kuwait
	Kuwait Fund for Arab Economic Development		Saudi Embassy in Egypt		Renardet S. A. & Partners
	Bristol-Myers Squibb Company		Faisal Islamic Bank of Egypt		
	Egyptian Holding Company for Airports and Air Navigation		Egyptian Airport Company		Cairo Airport Company
	Ministry of Higher Education		Ministry of Environmental Affairs		Egyptian Electricity Holding Company
	Ministry of Education		Ministry of Culture		Proservice
					Arabella

MB has provided services to all prominent infrastructure development authorities including the Egyptian Ministries such as: Ministry of Civil Aviation, Ministry of Transport, Ministry of Environment, Ministry of Power and Electricity, Ministry of Petroleum, Ministry of Housing, Ministry of Culture, Ministry of Higher Education, Ministry of Agriculture, etc.

MB has a wide network of associates across the globe and has had successful association arrangements and joint ventures with several leading domestic and international companies and public/private institutions.

MB has successfully executed consultancy assignments with such associations, both in Egypt and abroad, ensuring excellent co-ordination and total client satisfaction.

MB has successfully undertaken several prestigious consultancy assignments, under International Competitive Bidding in several countries across the globe, as illustrated below:

In the past decade, **MB** has offered and implemented solutions to several clients. Here is a list of some of our projects.

Year	Project Description	Beneficiary
2010	Acoustic treatment study and analysis Report for Al-Jubail Industrial Collage	EGEC
	Noise Impact Assessment For Baniswapf Power Plant– Egypt.	EEA
	Noise Impact Assessment For Damietta Power Plant– Egypt.	EEA
	Noise Impact Assessment For Giza North Combined Cycle Power Plant– Egypt.	EEA
	Noise Impact Assessment for Al-Shabab Power Plant: Ismaillia – Egypt.	EEA
	Acoustic treatment study and analysis Report For Imp conference and some halls: AUC New Campus - Egypt	AUC
	Full Audiovisual design For AUC Athlétique complexes: AUC New Campus - Egypt	AUC
	Acoustical Report For AUC ARTOC main gym: AUC New Campus - Egypt	AUC
	Noise Impact Assessment For Transmission line Between Gabal El -Zeit and Samalout	EEA
	Al Souk residential commercial complex full acoustic design UAE	EGEC
	Kahrmaya educational center in Qatar for EGEC	J&C
	Arab –Contractor Gabbal Asfar acoustic supervision	Arab – Contractor
	El Neil University barrier design for roof area	Delta construction
	Noise prediction for Jazan airport in KSA	ESCO
	Vibration measurements for Pfizer medical factory	Pfizer
	Air quality measurement system for Hurghada airport	EAC
Stack air quality emission measurements for Al Marashem at Hurghada airport	SBG	
2009	Noise Survey for Rashpetco Gas Company -: Idku - Egypt	El-Tebbine Institute
	Noise assessment for North of Giza power plant -: Cairo – Egypt.	EEA & WB
	Noise assessment for Banha power plant -: Banha – Egypt.	EEA & WB
	Noise assessment for Suez power plant -: Suez – Egypt.	EEA & WB
	Full Environmental and Social Impact Assessment for Updating and Modernizing of Terminal Building 2 at Cairo Airport. :- Cairo – Egypt.	EHCAAN
	Full Environmental and Social Impact Assessment for Constructing new Terminal Building and New Runway at Sharm El-Sheikh Airport. -: Sharm El-Sheikh – Egypt.	EHCAAN
	Full Acoustics Design for some mosques and Lecture rooms for King Abd El-Aziz Medical University - : Saudi Arabia	Saudi Binladen Group (BTAT)
	Noise Impact assessment for new extension at Shamia Haram Mekka -:Saudi Arabia.	King Abd El-Aziz University El-Reada Center
Full Environmental Impact Assessment for High Speed Railway that Connect Makah, Madinah and Gedah passing through Islamic places in Saudi Arabia.	Dar El-Handasa	
Running the National Air Quality monitoring network in Egypt for The Egyptian Environmental Affairs Agency (EEAA) that consist of 65 monitoring station under full supervision from 1st July 2009 till 1st July 2010 -: Egypt	EEAA	

2008	Acoustic Design for Building 40 (Generator Set Building) For Greater Cairo Wastewater Project (CWO), Gabal El Asfar WWTP – Stage 2 – Phase 1	Degremont
	Noise assessment for Nwaba power plant -: Nwaba – Egypt.	EEA
	Noise measurements for some streets at Cairo for the traffic institute Nasser city Egypt.	ENIT (Egyptian National Institute for Transportation)
	High priority urban toll express way in Cairo noise and vibration analyst it includes a barrier design	Jica
	Running the National noise monitoring network in Egypt for The Egyptian Environmental Affairs Agency (EEAA) from January 1 st 2007 till 1 st March 2008.	EEAA
	Testing and commissioning for Cairo, Sharm airport noise monitoring terminals it includes 22 monitoring station	World Bank
	Acoustic design and Audio visual for TLC (technical teaching center) in Qatar Golf area it includes a number of class rooms, large auditorium sport area and other student facilities with full design details.	Qatar Foundation
Noise assessment for Ain Soukhna power plant (Module 2) generator-: Ain Soukhna – Egypt.	EEA & WB	
2007	Advancing Training Course for Airport Noise Monitoring- Air quality for the Egyptian Airport company - Egypt.	World Bank
	GEM(The Grand Egyptian Museum)- Egypt Revision of a full Acoustic Study	EGEC& Ministry of Culture
	Acoustical Design and Noise Control Solutions for Master Gas Alex. Station- Egypt.	Master Gas
	Noise Impact Assessment For Sidi Krir Power Station- Egypt.	EEA & WB
	Noise Impact Assessment For New Abo Keer Power Station- Egypt.	EEA & WB
	Noise measurements & Noise Prediction at el-Buruls. - Egypt.	Roche
	The Learning Center– Qatar Noise measurement & Noise prediction Design of full visual and lighting system Full acoustic details including selection of the material and furniture & finishing design	Qatar Foundation
	Airport Egyptian company Noise prediction& solution for the new admin building, Airport Road.	EGYcond
EEAA(Egyptian Environmental Affairs Agency) Managing and Monitor Noise monitoring stations	EEAA	
2006	Full acoustic details design review including selection of the material and furniture & finishing design	TAV Contractor
	Noise Measurements and Evaluation at Sharm El-Sheikh Airport New Terminal Building During Construction on a Regular Basis- Egypt.	Saudi Binladen Group

	Noise assessment for Al-Korafi plants Group in Fayoum- Egypt .	Al-KHorafi Group
	Full noise control study and enclosure acoustical design for natural gas filling station to reduce noise level coming out from the compressor- Egypt .	Shell
	Noise control for Sonesta boat M/S Karma to reduce noise level coming out from the engine room- Egypt .	Greater Co.
	Acoustic Field Testing For San Stefano project- Egypt .	ALICO
	Dust Level PM10 Measurements at Asphalt batch plant site of Terminal Building 3- Cairo International Airport- Egypt . October	TAV - HOLDING COMPANY JOINT VENTURE
	Dust Level PM10 Measurements at Asphalt batch plant site of Terminal Building 3 Cairo International Airport- Egypt . August	TAV - HOLDING COMPANY JOINT VENTURE
	Noise and Air Measurements and Evaluation at the Construction of Quriyat Sur Road – Sultanate of Oman And still working till now	Renardet S. A. & Partners
	Noise Measurement and Prediction Analysis for Marina Mall – Kuwait	United Real Estate
	Training Course with FICHTNER and ECG for Airport Noise Monitoring	World Bank
	Noise Measurement and Prediction Analysis for Abdali Tower – Jordan	Buro Happold Limited - UK
	Noise and Vibration Measurement for Damietta LNG Station.	Proservice & SEGAS
	Noise Measurement and Prediction Analysis for El-Nubarya Power Plant.	EEHC:
2005	Noise Prediction Code for Al-Kuraymat Power Plant (Module 2) 2*325 MW.	EEA
	Noise Prediction Code for West Cairo Power Plant Units 2*325 MW.	EEA
	Prediction and Evaluation of Barriers Design in 26 July Corridor in Greater Cairo Using Predictor (CRTN) Calculation of Road Traffic Noise.	Research
	Full Environmental Impact Assessment for Unico Drilling Services Sludge Treatment Station Project at Ismaylia Desert Road.	UNICO
	Noise Measurements and Evaluation at Sharm El-Sheikh Airport New Terminal Building During Construction on a Regular Basis.	Saudi Binladen Group
	Measuring Sound Levels and Evaluation inside Sima Factory for Sweets.	Sima

Year	Project Description	Beneficiary
2005	Noise Prediction Code for Al-Kuraymat Power Plant (Module 2) 2*325 MW.	EEA

	Noise Prediction Code for West Cairo Power Plant Units 2*325 MW.	EEA
	Prediction and Evaluation of Barriers Design in 26 July Corridor in Greater Cairo Using Predictor (CRTN) Calculation of Road Traffic Noise.	Research
	Full Environmental Impact Assessment for Unico Drilling Services Sludge Treatment Station Project at Ismaylia Desert Road.	UNICO
	Noise Measurements and Evaluation at Sharm El-Sheikh Airport New Terminal Building During Construction on a Regular Basis.	Saudi Binladen Group
	Measuring Sound Levels and Evaluation inside Sima Factory for Sweets.	Sima
	Environmental Noise Survey, Vibration Measurements and Traffic Count for the Grand Egyptian Museum (GEM) Project at Cairo – Alex Desert Road.	Ministry of Culture
2004	Measuring Sound Levels and Evaluation inside Prima Factory for Ceramic at Sadat City.	Prima
	Full Acoustical Design and Insulation for Cinemas Halls to the Al-Arabia for Cinema Production and Distribution Company (ACPD Group) at Carrefour.	ACDP
	Noise and Vibration Survey at Nile City Building for Cinemas halls to the Al-Arabia for Cinema Production and Distribution Company (ACPD Group).	ACDP
	A feasibility Study for Japan Bank for International Cooperation (JBIC) and Pacific Consultants International (PCI) for the Modernization of Borg El-Arab Airport Phase II.	JBIC
	Full Environmental Impact Assessment for El-Alamin Airport Including Noise Prediction Code.	Kato
	A feasibility Study for Japan Bank for International Cooperation (JBIC) and Pacific Consultants International (PCI) for the Modernization of Borg El-Arab Airport Phase I.	EHCAAN for JBIC
	Full Noise Impact Assessment for Sana'a Power Plant - Yemen	ECG
	A Full Noise Impact Assessment for Borg El-Arab Airport includes a 25 Measurements Location as well as Al-Nozha Airport and Prediction Using INM.6C Software for the Coming Years up to 2024.	JBIC
2003	Environmental Impact Assessment for the East Wing Traffic Route between Ain Shams and the 10th of Ramadan City.	JICA
	Environmental Impact Assessment for the West Wing Traffic Route between Imbaba and 6 th of October City.	JICA

Year	Project Description	Beneficiary
2003	Environmental Impact Assessment for the Super tram between Ramsis Square and Nasr City.	JICA
	Noise Impact Assessment for the new Terminal Building TB3 of Sharm EL-Sheikh International Airport.	EHCAAN Through

		ECG
	Noise Impact Assessment for the New Runway 05RR-23LL and the New Terminal Building TB3 for Cairo International Airport.	EHCAAN Through Dar Al-Hadassah
	Environmental and Social Impact Assessment for Gas Implementation in El-Fayoum	Fayoum Gas Company
	Noise Prediction Code for Al-Kuraymat Power Plant.	EEA
	Noise Prediction Code for New Talkha Power Plant.	EEA
	Noise Prediction Code for Cairo North Extension Power Plant.	EEA
2002	Noise Abatement for the Egyptian Glass Company Gigantic Cooling Fans.	EGC
	Acoustical Design for the Building inside Cairo Water Treatment Project Stage 2 at El Gabal El Asfar.	Degremont in France
	Noise Prediction Code for El-Nubareya Power Plant.	EEA
	Complete and Detailed Study for Noise and Environmental Status in Greater Cairo.	JICA & Ministry of Transport
	Noise Prediction Code for North Cairo Power Plant.	EEA
	Acoustical Design for Imax Cinema (6 th of October City, Egypt) to Satisfy their Hard Regulations.	Ministry of Education & Talaat Mostafa
2001	Noise Measurement at Seven Thermal Power Stations for Fichtner Germany	Fichtner Germany
	Noise Measurements and Analysis to Determine the Development of the Environmental Impact for Sidi Krir Power Plants Units 1 & 2 and Units 3 & 4	Inter-Gen in Alexandria
	Environmental Auditing for Noise at the Following International Airports : <ul style="list-style-type: none"> • Sharm El Sheikh. • Al Nozha. • Aswan. • Taba. • Cairo. 	Ministry of Transport Now "EHCAAN"

Year	Project Description	Beneficiary
2000	Noise Survey for Al-Azhar Tunnel before Opening at Greater Cairo Egypt.	Ministry of Transport
	Noise Survey for Sidi Krir Power Plant at Alexandria Units 1&2.	Bechtel
	Vibration Measurements for the Cold Reheat Pipeline for Unit 4, Sidi Krir Power Plant Units 3&4	Bechtel
	Noise Measurements and Analysis for All Machinery and Equipment within Sidi Krir Power Plant Units 3 & 4 to Perform the Following: <ul style="list-style-type: none"> • Determination of Equipment Compliance to Environmental Law for 	

	<p>Industrial Noise.</p> <ul style="list-style-type: none"> Establishment of Full Noise Contour Maps for the Plant. <p>To aid in redesign of the control room acoustically to enhance personnel communication and performance.</p>	Bechtel
	Noise Measurement inside Ghabour Buses to Facilitate the Enhancement of Design of Quieter Busses.	Ghabour
	Noise Analysis for "Happiness" Building at Roxy, Heliopolis in Cairo.	Local Authority & Environment Ministry
	Noise Prediction Code for EPSEP Power Plant at West Port Said in Sinai.	EDF – France
	Noise Prediction Code for ESGP Power Plant at North West Gulf Area.	EDF – France
	Reduction of Vibration Level for Kassem Textile Farm at 10 th of Ramadan City.	Kassem Textile
1999	Environmental Assessment of a Gas Station at Al Salam City.	Gas Misr
	Vibration Reduction Project at Al-Amiria Station, Sanitary Project.	Ministry of Housing
	Vibration Project at Schlumberger at Abu Rodais, Aiming to Reduce Vibration at a large Compressor.	Schlumberger
	Design and Construction of a Tool Rig for Schlumberger to Reduce Noise and Vibration.	Schlumberger
1998	Consultant Work for Ahmed Orabi Project Near Cairo to do Piping System Measurements and Testing.	Agriculture Sector
	Design and Foundation of the Environmental Lab at Ain Shams University in Cairo.	Ministry of Higher Education
	Measurement and Analysis of Noise Level and Providing Solutions for Irritating Noise for the Neighborhood at Sinbad Fun Town, Heliopolis.	Ministry of Environment
1997	Consultant Work for Saudi Embassy in Cairo.	Saudi Embassy
1996	Consultant Work for Al Nasr Petrochemical Plants in Sues.	Ministry of Petroleum
1995	Consultant Work for Al-Qassim Firm in Saudi Arabia	Al-Qassim Saudi Arabia
	Noise Reduction, Measurement Program for KOC Firm, Kuwait	KOC Kuwait
1992	Design of a Prediction Code to Reduce Noise from Wind Turbines in the UK.	City University London – UK
